I've never done nude modeling before. Only some topless shots for a bikini calendar. When my photographer asked me if I would do risqué photos for Leggy Wives, I was hesitant. When I decided to do it, I asked my husband to come along but he said I should just do what I was comfortable with. After a couple hours I felt comfortable enough to get a little sexy and you get to see the results. For me, they're pretty hot. I hope you like them, too.

*I went to the
mall just be-
fore the shoot
and found these
strappy shoes.
They make my
legs look great,
don't they. I also
feel pretty sexy
in them. Guys,
be sure you look
at the shoes, too.*

*I couldn't
decide if I
should shave
my pussy or
not for the
shoot. After
all, it was a
leggy shoot.
How much
would you
be looking
at my puss
anyway.*

A close-up photograph of a person's pubic area. The person's fingers, with light-colored nail polish, are inserted into their vagina. The skin is dark brown, and the vaginal opening is visible, showing a pinkish-red interior. The background is blurred, showing a person's back and a blue and white striped garment.

*When I really
felt comfort-
able, I began to
play with myself.*

*It was a little
strange at first,
but by the time
the shoot was
ending, I was
just about ready
to cum and I
didn't even
realize I had
drifted that far.*

A woman with large breasts and dark, curly hair is sitting on a wooden bench. She is nude, wearing only black high-heeled shoes. A smaller version of herself is sitting on her lap, also nude. The background is a wooden wall with a door. The entire image is framed by a blue border.

Aphro Dietie

My girlfriend came over the other day and here's what we did. She can really be off the hook!

➔ The phone rang the other day and it was my girlfriend LaDonna. It was a sunny day and I was outside in the yard. LaDonna said she wanted to come over and I said sure. LaDonna and I are like sisters. We've known each other for more than twenty years; having gone through grade school and high school together. We dated some of the same boys and even fucked some of the same girls.

After about an hour she made it over and came out to the backyard – naked! I shouted that we were outside, but she said the fence was high enough that no one could see her. She was lighter skinned and had a rockin' body with long legs and a big butt. The pants she wore always accentuated it and she liked the attention it gave her. She spread a large towel on the ground next to my chair and laid down on her belly. Her lovely ass was bubbling up as she was taking in the sunshine.

About fifteen minutes later she sat up and asked why I was still wearing my swimsuit. Without a moment's hesitation, she got up over me and used her mouth to grab my thong and began to pull it down. She got it down to my knees and came back up with her tongue seeking my clit as I opened my legs to let her in. This wasn't the first time we got it on. We've been lovin' it up ever since we got out of high school and found out each other liked girls. We don't do it that often, but when we do, it's great.

LaDonna sure knows how to suck my pussy, I'll give her that. She ran her tongue all over my pussy mound, finding the slit every now and then and slipping her tongue down to tease my clit. I reached down and pulled my thong completely off and opened my legs wider for her. She opened my pussy lips and dove right into my hole with her fingers. The more I

squirmed, the harder she fingered me. Her tongue joined her hands and she licked all over my pink silky insides telling me how sweet I smelled and how great I tasted. Within minutes I was done and cumming all over her face.

She took my hands and pulled me down to the towel. She laid on her belly and got up on her knees exposing her beautiful bronze booty to the elements and me. I kneeled down behind her and spread open her cheeks. I could see her pretty little anus and smooth-shaven pussy lips. I started with her tight butt hole, licking all around it until I felt it relax and then I

stuck my tongue in and swirled to some more. Apparently she was expecting this because she tasted nice and creamy. I smelled her jasmine lotion and it turned me on some more. I slapped her cheeks as I tongued and fingered her butt hole.

I laid on my back under her pussy and pulled her hips down to my mouth. I opened her pussy lips and began to lick her clit like it was an all day sucker. I grabbed her clit with my lips and gently pulled it and then let go. She squirmed with pleasure and when I wasn't doing enough of it, she forced her pelvis harder down on me as if to say, suck it harder, bitch. I, of course, obliged.

➔ LaDonna turned on her knees and pivoted around so we were sixty-nining. Her face was now buried in my pussy and her hands were cupped underneath my butt searching for my butt hole. She found it and quickly inserted a finger inside. I arched up at the sweet penetration and she went in deeper. I was furiously licking her clit and running my wet fingers up and down her silky crack, pausing every so often to stick one into her ass. Each time she gave out a faint moan and I would stick in another.

By now we were furiously finger-fucking each other. Mouths on clits, fingers in the ass. Each doing their part to bring us to climax together. Being on the bottom I arched up as I came and she pushed down on my face as she came. But this time she came with little surprise for me. She squirted!!! She had never done that before and it was HOT! I was so turned on by it I came again without her even touching me. Just the warm musky girl-jizz streaming down my face. After we finished, I asked her how she did that and she said she would show me. I'll let you know next time if I too learned how to squirt!

➔...she pushed down on my face as she came. But this time there was a little surprise for me. She squirted!!! She had never done that before and it was HOT!

WOMEN

MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peek and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJs, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,
Barbara B., Wilmington, DE.

30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk. Don't delay. Julie P., Los Angeles, CA.

LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legsv and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first. Maria, Houston, TX.

MEN

YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so fucking hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to fuck them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth. Billy, Tacoma, WA.

NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had se with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Brooklyn, NY.

NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female bosses (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear.
Clive, Chicago, IL

THIS IS WHAT HAPPENS WHEN FRIENDS BECOME LOVERS

"We just met a few months ago and really hit it off," says long and lean Kapri Styles. "She's a really nice girl and I just love her," says sexy and sassy Hymnfig. When we asked them to do a photo shoot together, they jumped at the chance, when they came to the studio, they were giddy but got down to it when the cameras started rolling.

When they got on set, they got into it right away. Kissing and folding each other's breasts, licking and kissing all over the other's body. It was hard to get them to stop when the photographer yelled out. As the session progressed, we found that they also liked each other's bodies.

After some preliminary licking of the sphincter, Hypnotiq enters Kapri's butt hole with her finger.

Kapri obliges with an index of her own after a long slow slathering of gel to prime the hole.

EUROPE'S AMAZING

I saw your cover of 40 plus with Europe Dichon on it and, I have to tell you, she's amazing. I love her look and, man, those boobs. I love big boobs and she seems like she likes hers, too. If I could, if she would allow me, I would take her on a trip to Europe. We could visit Paris and the French Riviera. I know she probably would not sleep with me since it would be our first trip together, but if we went to the Riviera, I could at least see her topless. And, initially that would be great for me. I have tried to imagine laying on a beach chair as she emerges from the ocean with her hair wet and water dripping off her breasts. She would come over to my chair and I would take the beach towel and dry her off, lingering on her chest to get every drop. Then she would ask me to rub suntan lotion on her and I would oblige. I'd get only the good stuff, because that's what she deserves. Can you extend an invitation to her on my behalf? I've included my address and phone number if she would like to call me and let me know if she will go. I'll pay for everything and even pick her up in a limo. We'll go to St. Tropez and stay for a week and then back to Paris for another week in the City of Lights. I know she can't refuse an invitation like that! Please contact me so I can book the airline tickets.

— Randall H., Philadelphia

Dear Randall, That sounds like a great invitation. Unfortunately we do not connect readers with our models. If, however, she reads your letter in this issue and contacts us, we'll be glad to get you two in contact. Randall, if Ms. Dichon passes on your invite, we have a staffer who would love to take you up on it! —Ed.

EUROPE REVISITED

I picked up a copy of your magazine and after looking at Europe, I had to write you. She is one of the hottest older la-

dies I have ever seen. She's hot and sexy and hot. I love those big breasts and full figure. No little waifs for me. I want a complete woman with a healthy appetite for food and sex. She looks like she could take a pussy pounding, roll over and let you stick it in her ass. The harder you push those buttcheeks, they harder they would push back. She has some nice lingerie on in the pictures but that would not last, I would rip it off her before we hit the bed.

I do not want to rub up against cloth. I want to feel her hot skin next to mine. Great job with one hot lady, Keep em cumming!

— Devon, Milwaukee

HORSING AROUND

I'm writing because I know your magazine because my boyfriend subscribes to it. I'm a petite young looking 45-year old and I would like to tell you about a little (no pun intended) affair I had. I've been with Henry for only two years and this happened four years ago, so he wasn't even in the picture. He knows about it

and encouraged me to share it with your readers.

I'm about 5 foot and 95 pounds with strawberry blonde hair, a nice rack and a bit of a booty. I grew up in the mid-south and have been around racing horses my whole life. It was 2004 and I was in Louisville in May for the Derby. The weather for a couple weeks prior to the derby was wet most of the time.

Cover girl Europe Dichon has started an avalanche of letter writing to our offices. Quickly becoming a fan fave, Europe is presently reconsidering a new layout for her favorite mag, 40+. If you would like to see more of Europe, write in and let us know. Maybe we can convince her even faster. She said she'd be traveling Asia for a month and would try to give us an answer when she returns from Hong Kong. In the meantime we'll hope she'll give us the answer all her fans really want to hear!

The jockeys couldn't get enough time on the course because of it and mostly sat around the clubhouse playing cards. I was a groomer from a grooming family. My great grandfather started it in the twenties and we've been doing it ever since and I'm the first female to do it. So I've been around horses and jockeys my whole life.

I was grooming one of the twenty or so horses (not the eventual winner, Smarty Jones) competing in that year's race. It was few days before the race and the weather had broken for a few hours. Most of the jockeys were able to get a run in, including mine at the very end

before the rain hit. He made it back to the stables soaking wet and the horse full of mud up to his belly. I gathered up my hoses and brushes and was ready to clean him up. The jockey, Eduardo, walked him into the stables and to his stall at the end of the barn. I was already there standing with brush in hand and a big warm smile for Eduardo. I told him I was sorry the rain cut his run short, but he said it went well and has confidence the horse would perform well on a sloppy track if it rains on Derby day.

We took the horse into the stall and closed the big gate behind us. After unbridling and unsaddling the horse I tied him up. Eduardo sat down on a bale of strapped hay in the corner of the stall. Before I started grooming the horse, I went over to Eduardo and helped him take off his riding boots. I straddled his leg, back to him, and pulled them off one at a time. As I finished with the second one, he grabbed my hips and pulled me down on his lap. He then reached up and cupped his hands over my breasts. Needless to say, I was quite surprised and didn't know what to do. I had never been approached by any jockey, ever. In the moment I was deciding whether to slap him or not, he slipped a hand inside my shirt and was feeling for my nipple. I stood up quickly and that action ripped a couple buttons off my blouse. He bent down looking for them as I tried to close my torn shirt.

That gave me time to think. As he finds them and stands up to give them to me, I am "angry" and push him down on the hay. He doesn't know what to think as I take a couple steps forward with my brush clutched in my hand. He looks up at me as I'm now standing over him at the foot of the bale. After a moment of glaring at him, I reach down and pull his belt off. And then undo his pants, reach in, grab his cock and squeeze. He gives out a muffled groan and as I'm holding it, it begins to get hard. With my free hand I pull off his pants and grab his balls and

squeeze. I tell him that if he ever does that again, I would rip these off him and feed it to the horse. His eyes get wide with fear and he stutters that he won't. I begin to walk away and look back to see him clutching his dick and balls. I laugh, turn around and go back to him, take his hands away from his privates and get down on my knees in front of him.

I open his legs, get in between them and push him down on the hay. I take his now-hard cock and begin to stroke it. His expression changes from one of fear to one of humble smiles. I bend over and begin to lick his shaft as I keep my eyes on him. His cock head goes into my mouth and I cup his balls gently. No hard squeezing this time. With my lips firmly around his cock, I straighten up a little to take my shirt and bra off. I play with my breasts and nipples as I suck him off. I deep throat him and lick his balls at the same time. Eduardo is now laying all the way back enjoying the attention. I slip off my jeans and panties and climb up on the bale bypassing his dick and squat down on his face. I push my pussy into his face and begin grinding it into him. I feel his nose on my clit as he sticks his tongue into my pussy. I get off and turn around into a reverse cowgirl and grab his dick again. I pump it up and down as his hands circle around my hips and pulls me harder onto his face. Bending over, I begin sucking him and playing with his balls. We're sixty-nining on the hay and going at it like a pair of young bucks.

I cum all over him and as I do he follows, shooting his big, warm load into my mouth. I spit it out onto the hay and get off him like I was getting off a saddle. Standing in front of him. I reiterate what I said earlier. "If you do that again, I'll feed it to the horse." I laughed, grabbed my brush and slapped him across his dick. Eduardo did not win on that Derby Saturday, either.

— Lily L., Louisville

SHOWER SEX

I was thumbing through your 40+ issue and came across the couple having sex in the shower. I had to write you because I have a shower sex fantasy and that pictorial was just about it. My dream girl is a long-hair brunette with nice full boobs and a little bit older because I have found that older women make better lovers. They usually don't have hang-ups about sex or trying new stuff, because they have probably already done it. They also are ready to please a man where as younger women want to please themselves or just get it over with and then leave because they have things to do, like meet their girlfriends at the mall. What I especially like is when a woman can lick her own boob and even better, if they can suck their own nipple. That's a real turn on to me and if she is sitting on my hard cock and doing that, I can really get off. Hey, just wanted to say thanks for a hot pictorial.

FOOTBALL FAN-ATIC

Hey guys, You may think it's funny to make fun of us who like watching football on the Saturday and Sunday, [Sunday Afternoon: Ten tips to keep your man away from the Football Games on TV – pictorial in 40+ #94] but it's our time and we can do what ever we want. With or without our wives or girlfriends horn-ing their way into our weekends! Yeah, the copy was cute and a couple were even funny, but telling a woman to use sex or guile to keep us from the tube is just not cool. I realize these were just captions to go along with the layout, but the point is not lost in all those sexy pictures – girls, do anything to keep your man from watching the game! Football is a release for us who work hard during the week. I try to make time for sex with my wife, and there's plenty of time during the weekend to do it, but not while the tube is on and tuned into ESPN. So

There's nothing like having sex and getting clean at the same time. Do it with a friend and save water.

next time, do us sex magazine buying guys a favor and stick with the sex talk and leave the games alone.

— Fred, Oakland

Dear Fred, You are absolutely right. We should not write what we think. We should take everyone's feeling into account before putting pen to paper. We cannot imagine what the world would be like if every little bit of satire was banished. We will do our best before printing anything that in the smallest little way would upset anyone walking this great land. Thank you for your letter and please be sure to continually monitor our pages so we do not print anything else you might find unacceptable. — Ed.

PIZZA'S ON US

I was having lunch with a couple guys at my house and we were looking at your magazine. We were passing it around and talking about all the hot women and hot sex pictures when Bill spills his beer all over it and the pizza. We did not get to it fast enough before almost all the pages were soaked. The pizza was okay because we eat it wet. We were bummed and decided we wouldn't invite Bill over anymore. Without the magazine and the women to talk about, we had little more to say at lunch. Is there any way you can send us a replacement copy? It's the one with Europe Dichan on the cover.

— Andy, Dallas

Hey Andy, We were so touched by your story that we had to do something about it. After all the tears dried at the office, (the gals here especially felt bad) we decided to send you a new replacement issue in addition to several back issues. The ladies here all chipped in with cash and are buying you a pizza, too. But only on one condition. You have to let Bill back into the group because we are sure he didn't mean to do it. — Ed.

If you have something to say to us, then go write ahead. You can send your letters to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. MARLEE'S MAGIC GAMS

OH MY GODDESS. WHAT A BABE MARLEE MOORE IS. When I saw the cover of Leggy Wives, I thought "Okay she's a pretty girl, but then most magazine cover girls are, too." But I thought she was cute enough to plunk down my money and buy the issue. Man was I NOT disappointed. She is a downright bitchin' babe. She is so beautiful she could be a fashion model. She is so pretty she could be a movie star. She is so hot she could be a Playmate. She is so fucking hot. Everything about her is great. Nice perky boobs. Sexy blonde hair. Fit, sculpted legs. And a beautiful pussy. She is the best thing I have seen in a magazine, or even on the street. Kudos, dudes!

— Sanford, Denver

Hey Sanford, your use of those superlatives is astounding. Yes, we know Marlee is a stunner, and we appreciate your liking her too. When she showed up at our office, we were blown away and jumped at the opportunity to work with her. She proved to be just as nice — and pretty as her pictures. After a little coaxing, she opened up and we got a great photo set from her. We're glad you like it. — Ed

I LOVE LEGGY BLONDE BUNNIES

Your last issue of Leggy Wives had a bunch of gorgeous leggy blondes. That's just my type. I must have jerked off to that issue ten times within a few days of buying it. My old girlfriend was a leggy blonde and we would have great leggy sex. She knew that I liked legs and she would use them to get me off. Sometimes it would be with stockings on, sometimes it would be with bare feet and sometimes I

would ask her to wear these bunny rabbit slippers I bought for her birthday. We would have a great time and it was fun, too. She would take my cock with both her feet and I would look down and see these two cute fuzzy bunny heads surrounding my cock. I would talk bunny talk and she would too, talking dirty to me with that high squeaky voice until I would cum all over them and let out a squeaky bunny groan. Ahhhh, good times. Thank you for letting me relive them because she left a few months ago for Germany.

— Henry, Philadelphia

NOT A FOOT FETISH?

Twenty years ago I was going out with this leggy college girl. We would go clubbing together, yet never really hooked up as a boyfriend and girlfriend. We almost got it on once, but after that our clubbing days ended, too. But I digress. We were out at a club with a bunch to drink and decided to go back to her apartment. As we were walking down the street she would kick her leg up over the parking meters on the curb. Holding on to me for support, she would time her steps and loft a leg over that meter like it was nothing. We joked about it

all the way to her place. When we got there we both plunked down on the sofa and started to lose it from too much bad booze. I fell asleep on the sofa and assumed she had too, but I woke up to feel this warm, wetness around my feet. I was about to pee my pants from it, but woke up in time to see her down there washing my feet and toes, still wearing her little black dress. She noticed I was awake and lifted my feet onto the sofa. After drying them, she began to suck on my toes. I was shocked, and tickled, that I yanked my feet back. She pulled them back down and told me to close my eyes and relax. I tried but damn, it was hard to do so. She licked between my toes, someplace no one had ever gone before, and I started to like it. I started getting hard and pulled her hand to my crotch.

but this was so hot, and I thought maybe she would join in, if I did it. I pulled my dick out and began to stroke it as she licked down there. I told her that felt great and she just looked up at me as her tongue swirled around my big toe. I would line up my cock with my big toe and pretend she was sucking it. This went on for a while and I tried to suggest she, at least, give me a hand job. She declined. I suggested she take off her clothes and she declined again. I was getting frustrated as I was getting close to cumming. So finally, as I'm cumming, she cups her hands by my dick to catch it — and takes and rubs it on my feet!. Well that freaks me out and I kick her away and rub them on her sofa trying to get it off. She stands up abruptly and tells me to stop.

Incredibly sexy Marlee Moore spreads those gams, and more, one more time to keep her fans happy. We're working on another shoot with Marlee so stay tuned for more hot stuff from her!!!

She pulled it away and kept licking and sucking my toes. I tried again and she pulled away again, but this time she said that if I wanted to jerk off while she did this, well, that was okay. Being a relatively young college boy, I had never masturbated in front of a girl before

I tell her "No way." I grab my shoes and beat it out of there. We saw each other in class a few more times but that was about it for our clubbing days. Looking back, I guess it wasn't so bad because I now have a similar foot fetish!

— Edward, Penn State

ELISE & BILLIE BELIEVERS

Last night I brought your magazine over to my friend Andy's house. I had to show him the layout of the two girls Elise and Billie. I thought the blonde was his ex-girlfriend. We looked at the photos carefully and he even got out a magnifying glass to see if there were any tell-tale signs that it could be her. We ended up thinking it wasn't her, but were not sure. Is there any way we can find out if it is her. We promise not to reveal any secrets or give away any information.

of our models. We're sorry about Andy's scene but "Ellie" seems to have moved on. Perhaps Andy should, too. — Ed

OPPOSITES ATTRACTIVE

Just writing to say that I loved the layout of the two girls in your last issue. I think of myself as a bit of a connoisseur of ladies, especially ladies in stockings, and I must say that these two are the cream of the crop. The little blonde is a direct opposite of the tall brunette, yet the stockings fit them both perfectly.

it under advisement from a leg connoisseur such as yourself. We hope you'll find the pictorials in this issue to your liking also. — Ed

WE'LL LEND AN EAR

No one will listen to me when I talk about my foot fetish. I get weird looks and comments. Some refer to me as a sicko. Some call me a weirdo. Some just walk away. It's not a topic that I bring up in conversation, but there have been times that I felt comfortable enough to

me out and having the balls to print a "fetish" magazine. I realize yours is not a true fetish magazine but if it begins to get the word out that we're normal people with normal urges, maybe this world will be just a little better for all of us. I hope that you'll print this letter because it does matter.

— Warren, Lima, Ohio

Warren, we empathise. Your cause is commendable and if we can be a small part of it, then so be it. Good luck. — Ed

WALK ALL OVER HIM

My husband is making me write this letter, but I want to do it too. We are heavily into fetish lifestyle and live it to the hilt after our working hours. I wear black rubber catsuits and make him wear a mask with a red ball gag in his mouth. I tie him up and

Fans of long, spread legs take another long look at two gorgeous babes that beckon you to replace their dildos with your cock. Elise and Billie from Leggy Wives #21 — you know you want them, and they want you, too. Whatcha waitin' for?

Andy was really in love with her — and still is — and he's been trying to get back with her. He doesn't care if she does girls or not. He says that's actually pretty hot, but that's not the point. Any help you can give us would be greatly appreciated.

— Lawrence, Atlanta

Dear Lawrence — and Andy, unfortunately we cannot give out any information about any

The stocking tops were both different. That was a very nice touch. But I must say, the sex seems a bit too stilted. Too posey for me. They are almost always looking at the camera. The passion is lacking, but overall it's not that bad. The dildo action is cool and they seem to be enjoying themselves enough. Thought you might want to know.

— Harrison, Louisville

Thank you Harrison. We'll take

There are probably some of the people who pooh-poohed me that have similar fetishes; they just won't admit it in public, but get them behind closed doors and they'll suck your toes, wear rubber suits, burn candle wax on each other, and even do worse than that or what I can write about here. So, I'm writing to thank you for hearing

Lea is not your typical mom next door. She's a physicist with a PhD in quantum mechanics. Oh sure, she can bake a pie, and she can also give you the recipe to split an atom. Her latest project for us was to split the lips of her sweet pussy.

lovely Lea

Fortunately you get to see the results,

There was a night at the physics lab that I was working late with a colleague and the late hours made us lose focus on what we were working on. We decided to stop work because we didn't want to blow up the lab. Since I had a feeling this might happen, I had taken my clothes off earlier and was naked under my lab coat. After the initial shock we fucked in there for more than two hours.

Yes, I went to
M.I.T. and have an
advanced degree,
but that is not as
satisfying as having
a big cock inside me.
I love the feel of that
flesh as it enters my
pussy. It drives me
wild when it starts
pumping. My juices
begin to flow and if
the rhythm is right
I can make myself
cum in five minutes.
But that's just the
beginning. I can go
all night as long as
my guy can too.

WOMEN

MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peek and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJs, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours, Barbara B., Wilmington, DE.

30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk. Don't delay. Julie P., Los Angeles, CA.

LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legsv and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first. Maria, Houston, TX.

MEN

YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so fucking hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to fuck them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth. Billy, Tacoma, WA.

NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had se with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Brooklyn, NY.

NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female bosses (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear. Clive, Chicago, IL.

SWEET AND SASSY

WHEN PEOPLE FIRST MEET ME, I COME OFF AS A REALLY SWEET PERSON.
AFTER THEY GET TO KNOW ME, THEY REALIZE THAT I'M PRETTY SASSY TOO.
AND WHEN THE RIGHT GUY COMES ALONG, I CAN BE DOWNRIGHT SINFUL.

THERE WAS A TIME
THAT I WAS WITH A
GUY I THOUGHT THAT
I WOULD REALLY LIKE.
AFTER A COUPLE DATES
I TOLD HIM THERE WAS
SOMETHING I WANTED
TO DO FOR HIM. I IN-
VITED HIM UP TO MY
BEDROOM, THEN I
MASTURBATED IN
FRONT OF HIM.
I THINK HE
LIKED IT.

ANOTHER TIME, I WAS SHOP-
PING WITH A GIRLFRIEND
AND WE WERE IN THE DRESS-
ING ROOMS TRYING ON NEW
CLOTHES. I TOLD HER TO
COME TO MINE TO SEE WHAT
I WAS WEARING. WHEN SHE
OPENED THE DOOR, I WAS
STARK NAKED. I PULLED HER
IN AND MADE HER FONDLE MY
BREASTS AND PUSSY. SHE WAS
SHOCKED BUT DID IT ANYWAY,
AND WE BECAME LOVERS.

PENIS-STRETCH

**FOR MEN WHO REALLY WANT
A LONGER PENIS!**

Any man who has ever envied the sexual
dimensions of other men in the showers or
locker room ... any man who has ever
wanted to thrust deep, deep into his
woman and touch her where few men ever
have ... any man who feels inferior in sex
performance because of "small" organ
size will eagerly welcome the devel-
opment of an amazing new product called
PENIS-STRETCH.

**PENIS-STRETCH IS SPECIFICALLY DESIGNED TO
LENGTHEN THE PENIS TO ITS MAXIMUM!**

How does it work? Simple! you simply
wear PENIS-STRETCH-and you achieve a startling
increase in the length of your penis!
PENIS-STRETCH is made of quality
material, will fit any adult male AND
WILL DEFINITELY INCREASE THE
LENGTH OF YOUR PENIS when used as
directed. HERE'S WHAT PENIS-
STRETCH USERS WRITE ...

"... incredible ... my formerly shrunken organ now
hangs out long and proud over my testicles."
"Couldn't believe it, but it works. Your PENIS-
STRETCH gives me 2 1/2" more length, and that's
without an erection."
"Easy and effective ... feel like a real man for the
first time in years."
"I was told there was no way to ever make my penis
longer, but nobody ever told me about PENIS-
STRETCH. It works ..."

These are only sample comments. But
you can understand how overjoyed these
men really are to discover that they need
never again worry about a "small" sex
organ. PENIS-STRETCH will work for
you, too. Remember, NO MATTER
WHAT SIZE YOUR SEX ORGAN IS NOW,
PENIS-STRETCH WILL MAKE IT
MEASUREABLY LONGER!

ERIC *and* JESSICA

Jessica is a forty-eight year old nurse and Eric is a 35 year-old stock broker. She likes shiny vinyl. He likes pinstriped suits. Together they are one hot fuck. Here's why...

A woman with blonde hair is wearing a black corset with red laces and a black mask. She is smiling and holding a large, realistic dildo. The image is a close-up shot, focusing on her face and the toy.

Jessica says: "Eric has a beautiful body and one gorgeous cock. I love the way it looks, feels and fucks. We mesh together really well."

Eric says: "Sex with Jessica is unbelievable. She is really hot and will do anything to please me. I especially love to fuck her ass."

Jessica says: "I love to suck his cock. I have a little trick that I do. I deep-throat him and lick his balls at the same time. It took a lot of practice but Eric was a ready and willing partner."

Eric says: "Jessica has the perfect asshole for fuck-
ing. It's tight and welcom-
ing. I can stay in it for an
hour at a time. When I
pull out, it winks back at
me as if to say 'thanks.'
Now that is a really
polite little asshole."

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

ROXY RULES!

Where in God's earth did you find Roxy? She is the cutest thing ever. What a great butt on that babe, and she's got the cutest smile that is just the biggest turn on. I think I fell instantly in love with her the moment I saw her on the cover.

the inside photos were just right. it's nice to see a cute girl like her not shoving dildos in her pussy. She showed me just enough to want more. Are we going to get more of Roxy? And when?

— Sammy, Cleveland

Hey Sammy, we show 'em as we get 'em. But seriously, Roxy is a real cutie. She was just as much fun to work with as the photos show. We are in the process of getting another pictorial on her, but you'll have to wait until 2010 as we all will.

— Ed

ROXY REDUX

I think I went to school with Roxy Reynolds. I

remember that cute toothy smile but her butt didn't seem that big and nice back then. How can I find out if she was my classmate? My bro says it ain't her, but I think it is. She was about 5' 7" and had small boobs and a short hairdo. But she could have grown into her chest and let her hair go. I'm looking at the yearbook now as I write you and I'm convinced it's her.

— Wesley, Brooklyn

Wesley, you know we can't tell you where she went to school, dude. What we can tell you is that she graduated at the top of her class, went on to a prestigious Eastern university, was given a Rhodes scholarship, modeled in Paris and Milan and plans to run for President in 2020. Hope that helps.

— Ed

ON TOP OF ESCALADE

Since you want to hear from guys like me, let me tell you what I did, man. I got this big black Escalade with some smashin rims on the outside and a smashin sound system on the inside, I dropped another 10G just for the sounds. Why? Because this is the type of shit that gets me the honeyz. All I have to do is cruise and they jump on in and cut loose.

So I'm leavin the club past midnite with these two smokin babes I just picked up. We be cruisin down Wilshire with the moon-roof open and one chick

sittin up on the roof with her legs danglin down. The other shortie starts to eat her out. I'm drivin tryin to keep in the lane as the two crazies are goin at it. The one on top leans back and lays down sayin how cool the streetlights look while the other is stickin fingers in that sweet cootchie. The shortie in the car is dropping her panties as she licks the other one and takes my right hand and puts it on her ass. As I squeeze her cheeks I almost drive into a parked car. Not wanting to fuck up my ride, I pull over around Wiltern and park it. The girls were so into it they didn't even know I stopped.

my huge dick. She starts to lick and gulp it down as I'm doing the roofie. Man she was good. I started fucking her mouth and she was taking every inch of it. Her head was pinned against the back of the seat as I was shoving my dick into it. I tell the chick on the roof to roll over so I can tongue fuck her asshole. She does that and with her legs dangling in the car I spread them and jam my long tongue into her butt crack until I find her butt hole. I'm massagin her butt as my tongue fucks her hole. I shove my thumb into her soaking cunt and give her a good

Now I can squeeze the bitch's ass without crashin. I move the seat back so I got room to maneuver and take both those cheeks in my hands. I squeeze em and she opens her legs up some more, still lickin the bitch on the roof. I push the inside chick off the roof bitch and start to lickin her myself. The inside bitch is unzipping me and takes out

finger-fuckin while inside girl is licking my balls. She's pulling my cock to get at them and sucks em like a Hoover. By now the roofie is screaming as she cums and I'm about to blow my load. She gaggin on my rod as I'm cummin and tries to pull it out. I hold the back of her head so she swallows cause I'm not gettin the seats messy.

A woman with shoulder-length brown hair and bangs is posing for a photograph. She is topless, with her hands resting on her chest and abdomen. She is wearing dark lace underwear and black thigh bands. The background features a pink curtain on the left and a white table with a blue vase of white flowers on the right. The text "they call her Mellow" is overlaid on the image in a cursive font.

they call her

Mellow

**When my lovers find
that I don't shave my
bush, they love it!**

**I used to shave but it
irritated my pussy.
Now I go natural and
it's the best feeling.**

**When my lover pulls on
the hair, it heightens
my arousal. It's like
a delicious pain that
drives me wild.**
